## Cohen's Lottery &amp; Exchange Office.

HOC SIGNO FORTUNA.

BALTIMORE, THURSDAY, Nov. 16, 1820.

## Important to Adventurers!

On Wednesday after next, the 29th inst. the Ninth drawing of the CATHEDRAL LOTTERY will take place, when the first drawn Number will be entitled to the great capital of FORTY THOUSAND DOLLARS.—To secure chances for this grand prize, speedy application should be made—there is no time to be lost.

☞ The greatest attention is paid to all orders forwarded to COHEN'S OFFICE, whether for whole tickets or the smallest share. Recollect that a mere trifling sum invested may produce the happiest result, and to suit adventurers of all classes, a variety of rates are prepared, viz :

20 dolls. in a whole ticket may attain 40,000 dolls.  
10 dolls. in an half ticket may attain 20,000 dolls.  
5 dolls. in a quarter ticket may attain 10,000 dolls.  
4 dolls. in a fifth ticket may attain 8,000 dolls.  
2½ dolls. in an eighth ticket may attain 5,000 dolls.  
2 dolls. in a tenth ticket may attain 4,000 dolls.

An opportunity like the present does not often occur, and certainly no scheme was ever more popularly arranged, or productive of such general approbation. Immediately on the conclusion of the ninth drawing, which completes the first part of the scheme, the Commissioners will proceed to prepare the Numbers and Prizes for the wheels for the Tenth or Consolidated day, when SIX HUNDRED AND FIFTY PRIZES are to be distributed, and all to be paid in CASH WITHOUT DISCOUNT, agreeably to the scheme.—they consist of One Capital of Thirty thousand Dollars—Two of Five thousand—One of Four thousand—One of Three thousand—Five of Two thousand—Ten of One thousand—Thirty of One hundred, and six hundred of Twenty-five Dollars each! forming an amount of EIGHTY-FIVE THOUSAND DOLLARS.

☞ ORDERS for Tickets or Shares, enclosing Cash or Prize tickets, post paid, will meet punctual attention per the return of mail—addressed to

J. I. COHEN, Jr. Sec'y to the Managers,  
114, Market street, Baltimore.

## Yesterday Afternoon

The 8th drawing of the Cathedral Lottery took place, the official list of which will be found on our fourth page.—Four prizes of One Thousand Dollars each, were the principal capitals, and were variously distributed.—No. 10,214. we had the pleasure of sending by mail, to one of our customers in Albany, N. York—others in Virginia: thus still continuing the good fortune to our distant friends, to whom we have much satisfaction in communicating the successful result of their investments.

## On next New-Year's Day,

The whole of the Washington Monument Lottery will be drawn—the whole at one drawing—the prizes to be distributed amount to the brilliant sum of One Hundred Thousand Dollars, and will be awarded in capitals of 40,000 dollars—10,000 dolls.—5,000 dolls. &c. &c. as particularised in the Scheme on our third page.—The whole of the prizes are floating, and much more than the usual interest will be excited thereby, on the day of drawing—as the time for distribution approaches, the Tickets will become scarce, as there were originally but 5000 in the whole Scheme; the price will be much enhanced by their scarcity, and even many disappointments

may ensue from delay and no tickets to be procured—to secure chances therefore, our distant friends should lose no time in forwarding their Orders while Tickets are yet to be had at COHEN'S OFFICE, where in the two last Classes were sold, a Capital of 40,000 dollars—a Capital of 30,000 dollars—two Capitals of 20,000 dollars each—one of 10,000 dollars, besides a large number of minor importance.

## The Grand Consolidated Capital

Of Thirty Thousand Dollars, besides, two of Five Thousand Dollars, and five of Two Thousand Dollars, and all payable in Cash, without deduction, will be distributed on the 10th, or Consolidation drawing in the Cathedral Lottery.—TICKETS and SHARES for that day, specially, will be prepared at Cohen's Office,—as soon as ready, due notice will be given, in order that our friends and customers at a distance may have the same opportunity of procuring them as those of our patrons nearer home. These tickets will without doubt, be very scarce, and consequently will be rapidly advanced in price previous to the drawing.

The Masonic Hall in the city of Philadelphia which was destroyed by fire about eighteen months since, having been rebuilt in a superior style of elegance, was dedicated on Wednesday, the 1st instant. The papers state that the display of the craft, about 1000 in number, excelled in splendor and order any former exhibition of the kind; and the concourse of spectators surpassed any ever assembled on a public occasion in that city.—*Amer.*

BOSTON, Nov. 7.

SLAVE TRADE.—At the Circuit Court of the U. States now in session in this town, before his Hon. Judge Story, the Associate Judge, and his Hon. Judge Davis, the District Judge, came on for trial, on Thursday morning last, two indictments, viz.—one against Joseph Findley Smith, late of Baltimore in the State of Maryland; the other against Adolph Lacoste, lately residing in the city of New-York, wherein they were charged respectively, with violations of the Act of Congress of April 1818, prohibiting the slave trade.

These trials continued until Saturday evening, and resulted in the conviction of both the prisoners; the jury having been prompt in their return of verdicts to that effect.

It appeared in the course of the evidence, that Smith was the master, and probably owner in part of one of the offending vessels, to wit: the schr. called the Plattsburg; that this vessel was fitted out from Baltimore, and sailed from thence on a slaving voyage under the command of Smith in December last: that the other offending vessel, to wit, a schooner called the Science, was equipped and sailed from the port of New-York, under the command of the other defendant Lacoste, in the course of the last autumn; and that both vessels were rencountred in the month of April last on the coast of Africa, while engaged in the procurement of slaves, and taken possession of by the U. S. ship of war Cyane, Trenchard, master, and sent for adjudication to the port of New York. The crews of the vessels, consisting principally of foreigners, shipped at foreign ports, were immediately released from imprisonment and set at large after the conviction of the abovementioned principal offenders. The court now stands adjourned to the 28th of the present month, at which time it is understood, that sentence will be pronounced upon these convicts.

We understand that orders have been transmitted from the Navy Department for fitting the Constitution frigate for sea, with all convenient despatch. She now lies at the Navy Yard in Charlestown, having

undergone a thorough repair, and is now pronounced by good judges to be as sound and good a ship as any in the navy—she was launched in 1798.

From the Boston Evening Gazette, Nov. 4.

This day, about ten o'clock, another vessel was added to the American navy. The beautiful schr. ALLIGATOR, pierced for 12 guns, and measuring about 190 tons, was launched at the Navy Yard, in the presence of many spectators. She has been built under the appropriation made at the last session of Congress for 5 small vessels, to be employed against the pirates in the Gulf of Mexico, or those more nefarious criminals, the dealers in slaves upon the coast of Africa.

## MINT OF THE UNITED STATES.

Philadelphia, Nov. 1820.

The public are informed that the coinage of Copper will be discontinued for some time at the Mint of the U. States. A large supply of Cents, however, is now ready for distribution; and, on application, will be furnished, to any reasonable amount, in exchange for an equal amount in specie, or paper notes or drafts, receivable in any of the Banks in Philadelphia; or on evidence of credit being entered in favor of the Treasury of the U. States, in the Bank of the U. States, or any of its Branches.

Shipments will be made agreeable to order—Insurance effected and paid, and an adequate allowance made for freight to any port in the U. States, to which vessels are cleared out from Philadelphia.—Application to be made to the Treasurer of the Mint,

JAMES RUSH.

NEW-HAVEN, Nov. 7.

Branch Bank at Middletown.—On Monday of last week, Arthur W. Magill, Esq. Cashier of the Branch Bank of the United States, at Middletown, was dismissed from his office, and publicly announced as a defaulter to that institution, for more than fifty thousand dollars. Mr. Magill is now in close confinement in the jail in this city. Joshua Stow, Col. Elisha Coe, and Nathan Starr, Jr. are surety for the defaulter in the sum of \$50,000, the amount of their Bond, and their property is attached for the same.

The Hon. Mr. Middleton, minister from the U. States to Russia, passed through Liege on the 29th September, and would proceed by way of Aix-la-Chapelle.

## Congress of the United States.

On Monday last, being the day appointed for the meeting of Congress, a quorum was formed both in the Senate and House of Representatives, in the latter, a very unprecedented delay took place in the choice of a Speaker to fill the vacancy occasioned by the resignation of Mr. Clay; on that day eleven ballottings were made without a choice—on Tuesday, eight more took place without effecting it, and it was not until the third balloting on yesterday that a Speaker was appointed, it is Mr. TAYLOR of New-York—the votes were chiefly divided between Mr. Taylor, Mr. Lowndes of South Carolina, and Gen. Smith of this city—twenty-two ballottings were made. As soon as the House was organized, the President communicated the Message as usual on the commencement of the session.

5000 tickets. 100,000 Dolls.

In presenting to the public another Lottery to provide funds for the completion of the WASHINGTON MONUMENT, the managers scarcely deem it necessary to appeal to the patriotism of their fellow citizens for their support and patronage, being well assured of the respect and veneration universally entertained for the illustrious name it bears, and of their ardent desire to see the noble monument, already so far advanced, finished. Were other motives for its encouragement to be sought, they would readily be found in the peculiar nature and novelty of the scheme, by which it will be perceived that the fate of the adventurer is to be determined IN ONE DAY, an advantage too obvious to require recommendation.
